

Minden welcomes 53 new VIPs

An unique graduation ceremony took place at the Archie Stouffer Elementary School on Wednesday evening (April 18) as the students in grade six received their diplomas for the V.I.P. Program.

Principal Stuart Baker who opened the ceremony explained to the near capacity audience that the "Values Influences and Peers" program was a pilot project initiated by the Haliburton Board of Education and the Minden Detachment of the Ontario Provincial Police. He noted that the project was aimed at the grade six students because "we place a lot of emphasis on guidance programs in the early years".

Constable Gary Chapman, who has participated in the project since its inception, explained to the assembly that the program was begun two years ago by an OPP constable and a school principal in Thunder Bay. The guidance program was modelled after a project called Operation Awareness that was being taught in the schools in Duluth, Minnesota.

(more on page 2)

Members of the Archie Stouffer VIP class proudly display their new T-shirts. Instructors seen at the rear, Glen Carter, left and Constable Gary Chapman, also received shirts with their own special notations.

County historical society formed

A county-wide historical society has been formed. The organization came into being Thursday evening at a special meeting held at the Anson, Hindon and Minden council chambers.

The first order of business for the organization was the selection of a board of directors. Frank Wallace of Minden was chosen as the

group's chairman. Other members of the board included Dr. Carl Hartwick, Ross Carver, Roy Windover, Bob Davis, Bob Wiltshire and Godfrey Tyler. Stanhope Reeve Harry Davis, who has spearheaded the formation of the society, noted that the executive committee did not include any elected politicians in an

effort to maintain a non-partisan outlook on projects.

The main purpose behind the formation of the society was to provide a lobby group for the Kanawa International Canoe Museum. Over the past few years, it had been suggested that the unique collection of canoes and watercraft might be

moved out of the county. Mr. Davis suggested that by forming the society, the county would be able to mount an organized campaign to ensure the facility remains in this area.

Haliburton County Warden and Anson, Hindon and Minden Reeve Lyle McKnight, who will serve as an ex officio member of the

society, invited the new executive to make a presentation to the county councillors. He suggested the group should appear before the council to explain the purpose of the organization and to gain the support of all municipalities in the county.

The invitation was accepted by the new society's directors, with Roy Windover being selected to make the presentation to the county meeting.

Before the meeting ended, Gary Kenney, who is familiar with log construction, offered an analysis of the present structure. He pointed out that the structure, though sound, is deficient in a number of areas. Kenney noted that the building is not insulated and that some of the logs used in the original construction have suffered deterioration. A portion of the rear section of the museum is uncompleted.

When asked if it would be possible to move the building to another location, Kenney said it would be a costly undertaking. He suggested that the cost would be so high as to make it economically unfeasible. He also suggested that considering the size and number of exhibits currently in the collection, any new structure would have to be 50% larger than the present building.

One member of the audience suggested that perhaps the comments and questions were somewhat premature, since ownership of the collection and the buildings remains with its founder, Kirk Wipper. It was suggested that before any decisions or discussion on the future of the museum could be carried out in a meaningful way, that Mr.

(more on page 2)

Change clocks this weekend

Spring forward and fall back ... that is the best way to remember which way to move your clocks and watches this weekend as the province changes to Daylight Saving Time.

Readers are reminded to move their clocks ahead one hour Saturday night before retiring. While the change will mean it will be darker during the early hours of the morning, the benefit comes after supper, as an extra hour of daylight will be available for outdoor activities.

Christians gathered at Skyline Park in Haliburton at 7 o'clock Sunday morning for a special Easter "Sonrise Service." The worshippers took part in the ecumenical service led by ministers of various denominations in the community.

School honours first VIPs

(from page one)

After hearing of the Thunder Bay project constable Chapman approached the Haliburton Board of Education and suggested that a similar project could be set up in the County school system.

In the summer of 1983 Constable Chapman and Glen Carter, a grade six teacher at Archie Stouffer School, took part in a three day seminar to prepare them for the upcoming program.

The project, which began at the school last fall, consisted of 25 lessons dealing with 12 different topics, such as peer pressure, decision making, authority figures and shop lifting. The classes were well received by the students and in summing up his introductory remarks constable Chapman stated "I have made 53 very close friends."

Those friends, the students of grade six, then presented a program of skits, speeches and a panel discussion that was both informative and entertaining.

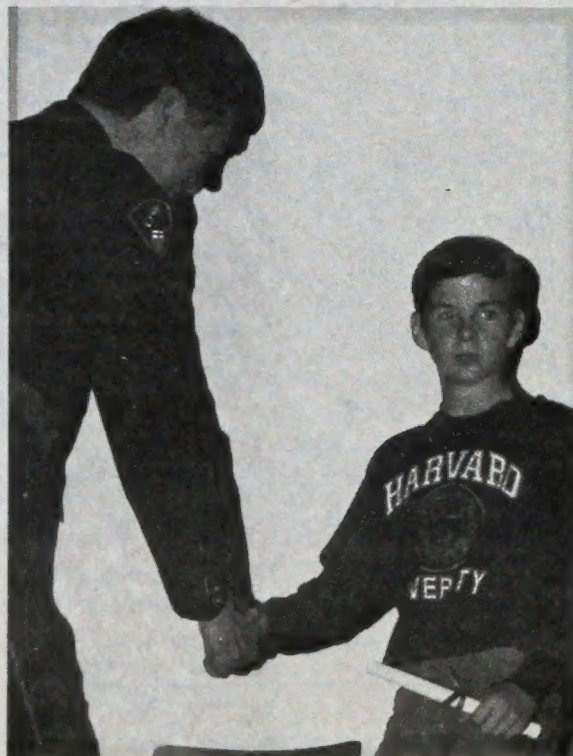

People from the community who had participated in the classes were thanked by the students for their assistance. A number of the

students gave short speeches on the topics that were covered during the year. At one point the stage was transformed into a video arcade and a number of short plays were then presented dealing with situations that arise in every day life in which the youngsters have to make decisions about right and wrong.

The theme of honesty was also dealt with in several panel discussions. The students were asked how they would react in a certain situation, such as finding some lost property, and after discussing the situation among themselves the panels then announced their decision to the audience.

As a tape of John Denver singing Fly Like an Eagle was played, a series of slides was projected on the screen at the back of the stage. Scenes from the classes from the past year and pictures of the individual students were shown much to the delight of the youngsters watching.

The students then accepted their diplomas from Glen Carter and assembled backstage where they were presented with personalized VIP T-shirts donated by the Minden Rotary Club.

Constable Gary Chapman congratulates one of the 53 students as he receives his VIP diploma.

In a moving finale the lights on the stage were dimmed, the song An American Dream, sung by Placido Domingo began playing, and as Constable

Chapman recited the lyrics of the song the students slowly filed onto the stage. They were greeted with a standing ovation from the audience.

Cottages targets for break-ins

Cottages have again been the target of thieves in Haliburton County.

According to police, 12 break-ins were reported during the past week, all having occurred since the March school break. Access to the cottages in a number of cases was gained by breaking a window or opening an unlocked

window.

Five of the break-ins occurred at cottages located on Eagle Lake. Four were reported from Glamour Lake, with others from Redstone, Percy and Maple Lakes.

Some \$3,000 in property was removed in the dozen incidents.

Mishap

A single car accident on Highway 121 in Dysart Township resulted in \$9000 damage to a 1984 AMC vehicle. The mishap occurred April 17.

The car, driven by 76 year old John Stewart of Dysart Township, was westbound on Highway 121 when it left the roadway and travelled onto the right shoulder. The driver, in an effort to return the vehicle to the travelled portion of the highway, oversteered, causing the car to veer into the opposite ditch, where it rolled over.

The driver sustained minor injuries in the mishap. A charge of careless driving has been laid.

The investigating officer is Constable Shaughnessy.

Cars damaged

Police are currently investigating an incident in which 12 new cars, parked at the Curry Motors lot in Haliburton, were damaged

sometime during the night of April 20 - 21. The vehicles were parked beside the bank on Haliburton's main street when someone apparently ran across the hoods of the cars.

No estimate of the damage is available.

Historical society

(from page one)

Wipper should be contacted and informed about what the purpose of the organization is.

Society chairman Frank Wallace agreed, noting that the executive would have to examine all aspects of the museum's present status before mapping a plan for the society's involvement in its future.

Harry Davis told the meeting that Wipper was aware the society was being formed and what its main purpose would be. He said that the museum founder had suggested in the past that the facility could be moved to the Frost Centre, as a possible alternative location. Davis also pointed out that he was aware of a large tract of land in Stanhope Township which has been left to Trent University to be used for historical purposes. He suggested that this land may offer a suitable

location for a new site for the museum.

The newly selected executive will be examining various aspects of the museum and its future in the next few weeks as it prepares a presentation for Haliburton County Council.

Memberships in the organization were solicited following the meeting with most of those in attendance agreeing to pay the \$12 annual membership fee.

Loyalist display to visit Minden

One of the most important periods in Canadian history occurred 200 years ago at the time of the American Revolution.

Thousands of the inhabitants of the thirteen colonies remained loyal to the British Crown and were forced to leave their homes and escape to Canada. They became known as the British Empire Loyalists and they had a significant impact on Canada's development.

To commemorate the contribution the Loyalists made to this country, Parks Canada has assembled and funded a travelling exhibit that will be shown across the province during Ontario's Bicentennial Celebrations.

The first stop on the tour is at the Agnes Jamieson Gallery from May 1 - 5.

The exhibit includes photographs of historical paintings and sketches selected from public archives, libraries and museums.

Accompanying the photographs are written descriptions of the opposition the Loyalists encountered in America, their mass exodus across the border and the harsh conditions they had to live under in their newly adopted country.

Very impressive program

53 Minden area young people just completed a very important step in the long road to maturity and adulthood. They are the grade six students from Archie Stouffer Elementary School who took part in the Values, Influences and Peers (VIP) program.

The course, under the direction of teacher Glen Carter and OPP Constable Gary Chapman, involved an examination of various situations which the young people are likely to face in the coming years. Topics such as peer pressure, drug and alcohol abuse, shoplifting and community responsibility among others were discussed by the participants. The sessions helped the young people to recognize the temptations and pressure which will be part of their lives. They were encouraged not to allow their own personal values to be diluted by outside influence, including peer pressure.

The program is obviously a success. The instructors were beaming at Wednesday night's "graduation" exercise, the students were proud to don their VIP shirts for all to see, and the parents were obviously enthusiastic with the aims and outcome of the program.

It should be noted, however, that the class at Archie Stouffer Elementary School was a pilot program adopted from a similar effort in Thunder Bay and the United States. We believe the program should be continued here and expanded to all schools in the county with grade six classes. For not only will the students benefit from the experience of participating in the program but the community stands to gain as well.

The initials VIP have a number of meanings. In this case we think they should stand for Very Important Program.

Good luck

Haliburton County now has an Historical Society. The organization was formed at a meeting last Wednesday night.

The prime motive for the society is to provide a lobbying group to protect the county's interest in the Kanawa International Canoe Museum. It will not be an easy task. There are many hurdles to be overcome before the location of the museum is finally secure. Because it is such a large task, the fledgling society deserves the support of everyone in the county. We wish them good luck.

Speak out

In addition to providing information about the community we serve, an important duty of this newspaper is to comment on issues of the day. We invite our readers to speak out as well, on matters they feel need airing.

Letters to the editor attract high readership, offer differing points of view on issues of importance and offer the opportunity for a free exchange of ideas, a vital part of a democratic society. This newspaper will always respect the right of citizens to be heard, within limits dictated by legal restrictions and good taste. We ask that writers be willing to allow their names to appear with their letters.

We invite you to use the letters to the editor column to ensure your opinion is heard.

Daffodils along the river

Postal efficiency

- by Bill Scott, M.P. -

Earlier this year, I wrote an article on the service, or lack of it, provided by Canada Post. I, and many other Canadians, are quite concerned, as I stated, with the Post Office's efforts to compete with the private sector in order to reduce their deficit.

On April 16th, Dan McKenzie, M.P., our Party's Post Office Spokesman, again brought this to the attention of the House of Commons. He said,

"Mr. Speaker, in the absence of the Minister responsible for Canada Post I would like to direct my question to the Minister of Finance. I am sure the Minister is aware of the business community's opposition to Canada Post's expansion into the Consumer Distributing plan. They feel that this would be a direct intervention into the private sector and that businesses are having enough difficulty in Canada today. Does the Minister, or the Government, have any plans to ask Mr. Warren to drop this Consumer Distributing plan in light of all the

opposition from Hon. Members on all sides of the House?"

"Mr. Speaker, perhaps the Minister of Finance would also bring to the

attention of the Minister that Mr. Warren has informed the Canadian Federation of Independent

Federation of Ontario Naturalists

On the afternoon of April 12, Alan Pope, Ontario's Natural Resources Minister announced a set of "Guidelines for Wetlands Management in Ontario" to the legislature. In doing so, he closed a long prologue to what should eventually be a much longer history of wetlands protection in this province.

The Ministry had promised action of this kind for more than 2 years in response to the Government's own recommendations, the concerted efforts of naturalists and the relentless pace of wetland destruction. So it was a pleasant surprise when he informed conservationists on March 27 by giving his unequivocal assurance that by the following Thursday he would announce a government wetlands policy.

In fact he delivered Guidelines not a policy. But any criticism that's due should be laid at the door of Claude Bennett, the Provincial Housing Minister, whose Ministry has opposed stronger action for some time.

Well, what do the guidelines say? Their stated purpose is "to ensure that wetlands are managed in keeping with both present and long-term needs of the people of Ontario." Pope explained: "We want to ensure that optimum economic and social benefits are obtained from the land with minimal disturbance to wetlands of provincial significance."

How will this work? All wetlands in southern Ontario, be they swamps, marshes, bogs, or fens, are to be evaluated and ranked according to a provincial evaluation system. The two top-scoring classes will be deemed of provincial significance and defended by the Provincial Government through the official planning process and other programs on Crown land. How the defense will work remains unclear. Given that we're dealing with Guidelines rather than a policy for the present time, there's no real stick for the province to wield. Nor are there any of the carrots conservationists have called for, including tax rebates for wetland owners.

So we're still miles away from an effective wetlands program. Drainage (Glen Elbe wetland), highway construction (Keswick Marsh) and excessive tax assessments (St. Clair Marshes), continue to threaten provincially significant wetlands and the Guidelines themselves give distressingly little attention to the ecological benefits of wetlands in maintaining natural diversity.

(more on page 6)

A miraculous escape

- by John Eakins, M.P.P. -

I am sure that a change in format for my weekly report is often appreciated and quite often I hear good comment from my constituents in this regard.

Citizens of Haliburton especially will be interested in a story which arrived on my desk and is contained in a magazine called "The Great Lakes Fisherman". It is reprinted from the Nipigon Gazette and is the

story of Tim Carroll, formerly of Haliburton:

"In July of last year, Tim Carroll, of Orient Bay on Lake Nipigon, launched a new 52 foot steel hulled vessel. The boat will be used for hunting and fishing tours and might be of little interest to the commercial fishing industry except for the background to that story.

"Tim Carroll came to Lake Nipigon as an

employee of the MNR and he and his wife, Brenda, quickly fell in love with the area. Through a lot of hard work, Tim Carroll was able to purchase a large cruiser, the "Last Chance" and to get into the tourist business.

"In October, 1981, Lake Nipigon was hit with a nasty fall storm. Three days of high winds and blowing snow turned the lake into a frenzied mass of white caps.

"Aboard the Last Chance in the middle of that raging storm were Tim Carroll and 'Kneebone' Lee Austin. Soon after the storm began, news reports on the radio announced the cruiser lost on Lake Nipigon and two men still unaccounted for.

"The Last Chance was not lost in the normal sense. She was spotted by a MNR plane at Devil's Gap in the process of breaking up on the rocks.

"There were few boats, if any, on Lake Nipigon capable of making a rescue attempt. In spite of the bad conditions, Captain Greenslade, of the Commercial fishing boat Nipigon Queen

attempted the impossible. With a voluntary crew aboard that included OPP officer Tim Harper of the Beardmore detachment, Captain Greenslade nosed the tug into the battering waves. The seas were so high that he was forced to return to port. Twice more the captain and crew of the Nipigon Queen made a valiant attempt to reach Devil's Gap, but were forced to return to port.

"Miraculously, Tim and Lee were able to reach shore and walk fourteen miles to the safety of a hunting lodge.

"The Last Chance was a complete loss and Tim had

to begin the search for another boat.

"Lake Nipigon has a well earned reputation for being a nasty body of water, especially in a fall storm. It also has its brave men who are not afraid to grapple with the elements when a fellow human is in distress."

You will also find it of interest to know that Chris Carroll, a brother of Tim, is making a name for himself at Queen's Park as the highly respected Executive Assistant to the Honourable Robert Eaton, Minister Without Portfolio and Chief Government Whip.

Bill Scott

(from page 4)

Business that he will not release the results of the trial run he is conducting now on Consumers Distributing. I believe the results of this trial run should be made available to all Hon. Members of the House, as well as to any business groups which wish to see how the trial run went. Will the Minister give a commitment that he will approach Mr. Warren to make this trial run public?"

As before, the Government refused to make any specific effort to stop this ridiculous scheme.

On the same day, I received a call from a constituent who told me that in order to get a letter from the mail he had to pay 10c postage due. The reason given was that the sender had not put his postal code in the window of the envelope. I checked with the main Post Office and was told that since last April they could charge a double deficiency charge for all non-standard mail sent out by any commercial or governmental source. Apparently, all of a sudden they have chosen to enforce this for envelopes without postal codes.

Police continue crack-down

Police will continue their efforts in Haliburton County to reduce the number of impaired drivers on area roadways according to a press release from Constable Gary Chapman. "The stepped up enforcement of drinking and driving laws by the OPP will continue through the summer months," the community relations officer for the local detachment stated.

The officer noted that most people feel that the Christmas - New Year period is the time when drinking drivers are most prevalent. "It is a fact," he pointed out, "that most drinking related accidents involving death and injury occur during the summer months."

According to the OPP report two drivers have been charged with impaired driving during the month of April while two 12 hour temporary licence suspensions have been handed out to other drivers.

The Royal Canadian Legion District F. Convention will be held at Branch 129 in Haliburton Village on April 27 - 29. Fifty-four Branches are expected to attend the Convention. Plan to see the parade at 11:30 on Sunday, and please join us in extending a warm welcome to the members and their families. Let's make their visit to the Highlands a memorable one.

Concert

On May 1 Haliburton Highlands Guild of Fine Arts is again sponsoring London Sinfonia. This is a 26 member symphony which started as London Promenade Orchestra in 1937. Most recently they appeared on national television with finalist of Canadian Music Competition. They will be presenting a varied and entertaining programme from Mozart to Broadway. Tickets are \$10.00. Enquire 457-2330.

Children's art

The Agnes Jamieson Gallery will feature art by the children in Archie Stouffer Elementary School in Minden, from May 3 - 28.

Puppets

Rails' End Gallery in Haliburton will be featuring Puppets and Playthings from May 4 - 28. These wonderful puppets are the

creations of Noreen Young, puppeteer and they will please both you and your small companions.

Flea market

Haliburton Legion Auxiliary will be holding a flea market from 10 a.m. to 4 p.m. on May 5.

Trees for Canada

April 28 - planting trees for Canada. Boy Scouts will be involved in tree planting on April 28, weather permitting. The Ministry will supply 2000 trees to the boy scouts and each child will collect pledges for the number of trees he plants. Let's support the boys in their efforts to beautify the environment.

Important

You're important to me is the theme of the training seminars to be held by your Chamber of Commerce. Don't forget the first session is to be held on May 2 at 7:30 p.m. at the Outreach Centre in Haliburton, provided we have sufficient enrollment. Please call the Chamber and leave your name - 286-1760.

Meeting

A meeting of the Board of Directors of the Haliburton Highlands Chamber of Commerce will be held at the Lloyd Watson Centre in Wilberforce on Thursday,

April 26 at 7:30 p.m. All members are welcome to attend.

Flowers

Tuesday, May 1 there will

be a free lecture "Ontario Wildflowers" by the Royal Botanical Gardens of Hamilton at 7:30 at the Municipal Building in Minden.

Festival of Fun

Wednesday, April 25 will be Haliburton's annual "Festival of Fun" featuring the talents of many local artists who donate their time in aid of the Association for Children With Learning Disabilities. Some of the performers include The Legion Pipe Band, Cat's Meow, Nancy Robichaud, John Miller, The Jazz Band, The Dixie Band and the Sour Notes. The show starts at 7:15 at the Haliburton Highlands Secondary School.

outdoors

Federation of Ontario Naturalists

(from page 4)

But Pope now has Cabinet approval to go to bat to save these areas within MNR's existing powers, and his cabinet colleagues at least, are obliged to play ball with him. So the 64 dollar question in the coming months is: will he try for a homerun, strike out or continue relying on environmental groups to pinch hit, as he has in such cases as eastern Ontario's Alfred Bog.

Copies of the Guidelines should be available through your local MNR District Office. Give them a careful reading, then drop Pope a line urging him to do his best during the coming months and letting him know that you will be watching his progress carefully.

Legion plans convention

Much of the recent activity around the Legion has been generated by preparation for the District Convention to be held at Haliburton on April 27, 28 and 29. This is the first time we have undertaken the responsibility of hosting the convention when some 300 Provincial and District officers and delegates from 54 Ontario branches will attend. Members, please note that the parade will be held at 11:30 on Sunday morning.

The winners of the public speaking went on to compete in the Zone competitions in Fenelon Falls last month. A few of us were fortunate enough to hear the excellent presentations. Congratulations to all speakers. The winners went on to District level.

The lucky people in the clubroom draw on April 14 were: For the hind quarter of beef - Danny Dillon, Haliburton; the 20 lb. turkey - Garnet Sedgwick, Haliburton; the 15 lb. turkey - Marjorie Sisson, West Guilford.

I was fortunate enough to

attend the last Ladies Auxiliary meeting as guest of L.A. Zone Commander, Gwen Cox. It has often been said that the Ladies Auxiliary is the backbone of the Branch. One is convinced of this after listening to the busy agenda of the meeting.

Many veterans are making plans in recognition of the 40th anniversary of D. Day. One is Gerry Wilson, who will be leaving soon for France along with 16 other members of the former 3rd Division of the Royal Canadian Engineers.

A date to remember is the last Tuesday of the month when the D.V.A. represent-

ative attends at the Branch.

Nominations of Branch officers were held at the last General meeting, and nominations will re-open on May 3. At the same meeting, installation of officers will be conducted. Come out and vote for a member of your choice. Members are asked to bring, and to share in a pot luck supper.

Best wishes to Jake Yateman in Princess Margaret, and Loyne Henderson in Sunnybrook, and to any sick comrades from whom we have not heard.

Lutterworth council briefs

Items from the April 19 meeting of the Lutterworth Township Council.

An application by John E. Francis Fuels for a minor variance was approved by Council.

John Francis, owner of a fuel depot requested the minor variance in order to locate a propane tank and pump 80 ft. from the centre-line of Highway 35. Under the present zoning by-law the tank must be located at a distance no less than 38 m (125 ft.) from the centreline of the provincial highway.

Mr. Francis informed Council that he had received written approval for the 80 ft. setback from the Ministry of Transportation and Communications and the Fuels Safety Branch of the Ministry of Consumer and Commercial Relations.

The propane outlet would be available to a select number of customers who would be issued keys to operate the computerized self-serve system.

The township will notify property owners within 200 ft. of the tank as required by municipal regulations. A meeting has been scheduled for May 4 at the municipal office to hear any objections to the variance.

Nomination

Council nominated Lutterworth resident Nelson Leary for a Bicentennial medal. During the province's anniversary celebrations a Cabinet committee on the Ontario Bicentennial will be awarding medals to honour residents of the province for their volunteerism and community service.

Accounts

Council approved the Township accounts totalling \$162,346. Included in the total payment were the 1984 Board of Education levy: \$83,183; March Welfare: \$2,410; Roads: \$56,456; General: \$20,296.

Crime**

Annual concert will help ACLD

On Wednesday evening, April 25 at the Haliburton Highlands Secondary School, the Festival of Fun will be held for the eighth year in our County. Each year many residents of Haliburton County have performed in and attended the Festival in large numbers in aid of our children with learning disabilities.

On June 2, any person who can walk, run, or be pushed will have a chance to join with cottagers and visitors to this area in another noble effort - to provide drilled wells to many villagers in India. Presently they do not have an adequate supply of water for drinking and irrigation purposes. The Help A Village Effort (H.A.V.E.) Committee extends an invitation to one and all to take part in its first big County Walk - however, if

you cannot walk, you could sponsor a walker, help man a check point, etc. Call the number below to find out how you can help. Sponsorship forms are now available at: Radio Shack and The Echo in Haliburton; Bowes & Cocks Office and The Times in Minden.

As we have a Fun Night to help children with learning difficulties, let us also have a Fun Day to enable some desperately needy villagers of India to have pure drinking water in adequate supply.

Prepare now to walk a part or all of the 33 km (20 miles) from Haliburton to Lochlin to Ingoldsby and back to Haliburton - walk for wells - on Saturday, June 2.

For more information contact the H.A.V.E. Walk Committee at 286-1647 or 286-1897.

Soccer team starts with strong showing

The soccer season is underway once again in Haliburton County with the local team, Dixie Lee, testing their skills Saturday at an indoor tournament in Gravenhurst.

Compared with last year's opening effort, the team fared well even though they did not come home with any trophies.

In the opening game they played to a scoreless tie against the Alberta Pilots, a visiting team from the Prairie Bible Institute. The second match, against the high school-aged Bracebridge Juniors, ended in the same scoreless deadlock. The final game of the day saw Haliburton and Orillia City play to a 1-1 draw.

Last year when the Haliburton team played in this first of the season tournament, the inexperienced team suffered a number of lopsided losses. While they did not claim any hardware this year, team spokesman Jim Milne noted that the

calibre of play and team effort was evident in the three tie scores.

The visitors from Alberta went on to win the championship of the one day tournament.

The local team will begin practises this Sunday in preparation for league play which starts in early May. The first practise is set for Sunday at the HHSS pitch at 2 p.m. Players, 16 years of age and older are invited to attend and try out for the team. Anyone wishing to assist with the team is also invited. A tentative practise for the following Thursday evening (May 3) has been set for the pitch at Archie Stouffer Elementary School in Minden.

According to the team spokesman there should be a few more games played in Minden this season. The field at HHSS is scheduled to be re-seeded and so the team expects to be playing a number of its league games in Minden.

Banquet marks end of auto ice racing season

As the last bit of snow slowly melts away, the members of the various ice racing clubs met recently in Toronto for their end of the season banquet. The evening included trophy presentations, speeches and special awards.

Among the presentations made to the drivers was the Minden and Area Businessmen's Awards to the top ten drivers. Those receiving the awards donated by local merchants included, in order of finish, Peter Wright, Guy Nason, Richard Pell, Nick Beck, Duncan Osborne, Tom Prentice, Ken Graves, Paul Seaman, Brian Rashleigh and Vern Houghton.

The trophy, donated by the Municipality of Anson, Hindon and Minden for the Sportsmen of the Year award, was given to Minden's own Tom Prentice.

Other local drivers honoured during the evening included Rick Dunsford who placed eighth in class 2; Tony Penick who was twelfth in class 2; Jack Prentice, seventh in class 6; and Tom Elder who placed fifth in class 4.

The Minden Kinsmen trophy for the best rubber-to-ice racer went to Peter Wright of the Oshawa Motor Sports Club. First overall in the studs-to-ice division, and recipient of the Minden Kinsmen Club trophy was Vern Houghton of the Grand Valley Car Club, while the Minden Kinsmen trophy for the best co-driver went to Dave

Crowther of the Oshawa Motor Sports Club. A number of hats and record albums, donated by the Rockcliffe Tavern, were also distributed to the winners.

The following are the winners in each division:

Class 2, front engine, rear wheel drive, up to 3000 cc: first Richard Pell of the Barrie Auto Racing Club (BARC); second Bryan Rashleigh, BARC; third Ken McCalla of the Credit River Car Association (CRCA).

Class 3, rear engine, rear wheel drive, under 1200 cc: first Guy Nason, CRCA; second Paul Seaman, CRCA; third Gerald Browne CRCA.

Class 4, rear engine, rear wheel drive, 1201 to 3000 cc: first Len Arminio, Peterborough Motor Sport Club (PMSC); second Dave Bennett, CRCA; third Paul Ostie, PMSC.

Class 5, front wheel drive, front engine, under 1000 cc: first Peter Wright of the Oshawa Motor Sport Club (OMSC); second Nick Beck of the Toronto Auto Club (TAC); third Tom Prentice (PMSC).

The track has melted under the spring sun and the 1984 ice racing season is all but memories. However, participants met for one last time earlier this month for the presentation of awards and prizes to the top drivers of the year.

Class 6, front wheel drive, front engine, 1001 to 3000 cc: first Duncan Osborne, TAC; second Ken Graves, OMSC; third Vern Houghton, Grand Valley Car Club (GVCC).

Class 9, studs: first Vern Houghton, GVCC; second Nick Beck, TAC; third Mike Zenon, OMSC.

Class 10, co-drivers: first David Crowther OMSC; second Al Norrie, OMSC; third Steve Martin, TAC.

The rookie of the year award went to Toronto Auto Club driver Duncan Osborne. He received the Attrell-Rice award.

In the miscellaneous category, the Oshawa Motor Sports Club received a special award for sponsoring a race on the coldest weekend of the year.

And, in the 'it had to

happen' category, medic John Sullivan, who was in attendance at every race just in case anyone needed medical attention, received a wrist watch and trophy made from surgical wrist pins. It seems John was the only individual to require medical attention during the 1984 racing season. He slipped and broke his wrist.

There was some potential

good news for those who enjoy the sport of ice car racing. While it is not official yet, there is a good chance that Minden may be the host for the full slate of racing in 1985. Most drivers are reportedly pleased with the track and warm welcome they receive here that they would like to make Minden the permanent base for their sport.

Obituary

William George Locke

A quiet gentleman left us this week. Bill Locke passed away at Lindsay Hospital on Saturday morning, April 21.

Bill was born in England's West Country in 1916. As a young man he apprenticed and became a Master Wood-Joiner.

During the Second World War, he served in the North Atlantic and the North Sea with the Royal Navy. After the war, he married Mollie Locke, and the couple emigrated to Canada in 1953.

He worked as a foreman with a construction company and, as luck would have it, was assigned to build the Hospital in Minden, and later, the Bank of Commerce. Bill grew to love the County, and moved to Minden, setting up a business with his workshop in Carnarvon.

In 1964, he began plying his skills at Camp Kandalore, re-building and gunwaling canoes, as well as renovating and building cabins. Bill was instrumental in applying Kirk Wipper's idealistic, aesthetic, cruciform design of the original Canoe Museum into a reality. This building is perhaps the best example of his excellent skills, his pride in workmanship, and yet his reluctance to boast, for few people realize that it was Bill who took the sketches and ideas of Kirk and, notwithstanding the first height which was log construction, added a second story as a mezzanine, and included a

skylight into a most complicated roof structure for the twelve-sided building.

Bill's contribution around town was quiet, yet effective. He was voted the Kinsmen of the Year in 1965-66. He could always be found serving on the Chuckwagon, which he renovated for the Club.

Though he was not a regular attendee at St. Paul's, Bill often helped them with his skills as a wood-joiner. Many examples of his fine wood furniture and cabinets are in use in the County today. He especially enjoyed working with Haliburton Black Cherry which Clare Walker, Mel Robertson or Elgin Stouffer would plank and keep aside for him when a log came in.

Three years ago, the Lockes sold their well-kept little house on Anson Street, and Bill moved into the apartment above the Sear's office. Wally and Joan Bunn kept an eye on him, as his health since the summer of 1982 had not been good.

Since January, Bill had been planning a voyage to England. He was expecting to visit relatives and see the countryside where he grew up with his dog Stobol. His plane ticket was for Monday evening, April 23.

William's many gifts, his quiet sense of humour, and his pride of workmanship must be remembered by us. He left no enemies, few acquaintances, and many friends.

friends for life +

NOTICE

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowner part of the 66 foot 'unopened' Original Road Allowance.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) of the Municipal Act R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden, on Thursday, May 10th, 1984 proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of road allowance more particularly described as follows:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Minden, in the County of Haliburton, being composed of part of the original allowance for road between Concessions XII and XIII across Lot 15, in the said township, containing an area of 0.814 acres being the same more or less, and which said parcel or tract of land is more particularly described as follows:

PREMISING that the bearings herein are astronomic and derived from Plan 19R-2424.

COMMENCING at a point in the Northerly limit of the said Lot 15, Concession XII, which is distant 15.59 feet measured Easterly thereon on a course of North 69 degrees 39 minutes East from the North Westerly angle thereof;

THENCE North 42 degrees 20 minutes West, 35.16 feet;

THENCE Northwesterly along a curve to the right having a radius of 376.26 feet, an arc distance of 35.39 feet and having a chord

equivalent of 35.38 feet when measured on a course of North 39 degrees 38 minutes 18 seconds West to a point in the Southerly limit of the said Lot 15, Concession XIII;

THENCE North 69 degrees 39 minutes East along the aforesaid Southerly limit, 519.6 feet to a point in the South Westerly limit of Highway Number 35, the said point being the South Westerly angle of Part 14 shown on M.T.C. Plan P-2904-37 deposited as Instrument Number 39291;

THENCE South 61 degrees 50 minutes East, 88.11 feet to a point in the Northerly limit of said Lot 15, Concession XII, the said point being the North Westerly angle of Part 13, shown on M.T.C. Plan P-2904-37 deposited as Instrument Number 39291;

THENCE South 69 degrees 39 minutes West along the last-mentioned Northerly limit, 553.12 feet to the Point of Commencement.

WHICH SAID parcel or tract of land may be further illustrated, shown in heavy outline on a sketch drawn by H. C. Bishop, O.L.S., dated March 19, 1984.

AND FURTHER TAKE NOTICE that before passing said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 4th day of April, 1984.

Farmers should not pay fuel tax

- by Bill Scott, M.P. -

On April 9th, the Minister of Agriculture announced that the Farm Credit Corporation is now offering farmers five, ten and twenty year fixed interest rate terms on loans under the Farm Credit Act.

The interest rate for the

five year term will be 14 per cent. For the ten year term, the rate will be 14 5/8 per cent and for the twenty year term it will be 15 per cent. Previously, the fixed interest rate terms have been for 10 years, and since November 1983 the rate had been 13 per cent. This marks a 1 5/8 per cent increase on the 10 year term loans. It will, however, allow farmers

to choose the term of their loan.

To assist farmers in the task of producing food for the nation, the Hon. Don Mazankowski introduced a motion in the House of Commons requesting the Government consider removing the 9 per cent federal sales tax on fuel used in food production. The motion was passed and sent to the House of Commons

Volunteers appreciated

by Marie Wallace

We do live in a caring County - there's no question about it!

Daily I'm impressed by the thoughtful people I meet in the Home Support office and in the Senior Drop-In Centre adjacent to our office. They tell me, in a very kindly and concerned way about someone who is depressed or lonely, etc. The other day a meals on wheels volunteer came in after completing her deliveries to report that one recipient had suffered a black-out that morning. Our transportation convenor was able to arrange a ride for him to see his doctor that afternoon.

This week alone people volunteered in a wide variety of ways by: doing income tax returns, taking someone out to a dinner and card game, delivering used clothing, visiting a blind man, attending meetings, quilting, telephoning a shut-in daily. I could go on and on.

Yes, we are blessed with a large number of volunteers who make it possible for our elderly population to remain in their own homes longer.

If you haven't made your reservation for our 4th Anniversary celebration this Friday, noon, at the PineStone Inn, you may do so by calling our office, 457-2941 by Thursday at the latest.

Good year for Minden W.I.

Minden Women's Institute had a very busy year, with 10 regular meetings and one executive. There were an average of 20 present of the 35 members and guests joined us at various times, including some from the Norland W.I. Branch members. One Life Member's badge and certificate were presented to Mrs. A. S. Kernohan, our capable treasurer.

Our usual donation of \$30, instead of prizes, went to Archie Stouffer Public School. This year we had auctioning of gifts at several meetings adding to our funds and providing fun too. Movies were shown at several meetings by vice president Mrs. Lacey. We had a Bake and Craft Sale in August and participated in the District Craft Day. Our bus trip was an entertaining one to Orillia and Barrie in June. Some of the ladies served tea at Hyland Crest Home. We still have Secret Pals for those wishing them.

We had a Workshop at the Cultural Centre on Home Repairs. We are selling the Ontario Bicentennial Trillium Pins. This year

we received our new Handbook to solve some of our problems. A brief history of Minden W.I. was compiled to go in Minden's 125th Anniversary booklet. We are sending Mrs. L. Cox, our president, as delegate to the Officers Conference and Mrs. Kernohan brought back a great report of Area Convention, and as usual we had delegates at District Annual Meeting.

Special Roll Calls: 1. Members read verses at several meetings; 2. Antiques and their history at another meeting.

Incidentally, some members were in old-fashioned dress at one meeting. We still continue with Current Events, a yearly account for the Tweedsmuir Book, and given by Mrs. O'Neill at January Meeting. Plans are going on for our special Bicentennial Day June 20th.

We welcomed 4 new members, and sadly, 2 members passed away during this year. Altogether this was a good year, as we continue for Home and Country.

Jeanne Sears, P.R.O.

Standing Committee on Finance, Trade and Economic Affairs for consideration on February 17th.

I have supported Mr. Mazankowski's motion and agree with his recent remarks that, "The federal sales tax on fuel is an up-front tax that acts to reduce economic activity further along the food production chain. By taking money out of producers' pockets, it reduces their ability to purchase machinery, equipment, fertilizer and other inputs. Sales of the items not only stimulate the economy, they increase the productivity of producers. The fuel tax should be rescinded to encourage the growth of all industries related to food production and to maintain a strong agricultural and fishing sector in Canada."

Everything is just ducky, thank you. Four of Minden's seven newest residents find the pickings along the riverbank a little better now that the snow has gone and the grass is starting to grow. The ducks appear to have become a permanent fixture on the Gull River, being sustained through the winter months by feed scattered by the Parks Department and caring residents along the river. The ducks have become a friendly lot and enjoy greeting visitors, especially those who come for a visit with some old crusts of bread.

The hidden arrival of spring

- Federation of Ontario Naturalists -

April showers are here at last, and the bloom of spring suddenly seems possible, no longer a winter fairy tale. A neighbour already has transplanted a few early vegetables to his garden.

There's another dimension to the blossoming of spring than normally meets the eye in crocuses and daffodils. As the snow and ice retreat, there's suddenly water everywhere. And, while it's not so easily detected, the aquatic environment of the temperate-zone ponds and lakes also exhibits the pulse of spring. In fact, limnologists often refer to the phenomenon as a "spring flowering".

Now unless you have a microscope handy you're apt to miss a lot of the excitement. For this "flowering" typically involves diatoms (an order of microscopic Algae) and a host of other normally invisible flora and fauna. During the long winter's night, low water temperatures and reduced light slow things down a bit, especially the rate of photosynthesis, while regenerated nutrients pile up unused. With the advent of more favourable temperature and light conditions, Algae, and other minute floating plants collectively called phytoplankton, increase rapidly since nutrients are in abundance. This "bloom" disappears when the nutrient surplus is used up. By that time though, it has probably prompted a similar pulse in the animal population (zooplankton) which depend on Algae and other plants for food.

These creatures are also invisible to the naked eye. But a microscope offers anyone a window on their fantastic world. Put a drop or two of pond water under the lens and you'll see animal behaviour that's captivated scientists since Anton Van Leeuwenhoek first peered through his homemade instrument in 1674.

Consider how they eat, for example. A one-celled

protozoan swims up to a filament of an alga of the genus *spirogyra*, clamps its "mouth" (a circular opening in its "skin") over one end of the filament, and starts consuming. The diner isn't concerned that each cell of the alga may be larger than itself; it just feeds away one cell at a time.

Sooner or later these invisible creatures end up in the belly of some larger animal such as a mussel,

which filters them out of the water. And then we're back into a world where "big" organisms - fish, turtles, muskrats - predominate, with their more commonly understood behaviour patterns. But the food chain pyramid is pretty narrow at this level, there being only a few such species around most ponds. So for a new view of spring in full bloom, explore the microscopic awakening of a pond.

If your car or heaters need propane

The Times

Sheep sale a success

- Ag Report -

A total of 208 new crop lambs were sold in the special Easter Lamb sale at the Lindsay Community Sale Barn on Monday, April 9. This sale was sponsored by the Victoria County Sheep Producers.

The weighted average price was \$1.22 per pound. The average lamb weighed 52.5 lbs. and brought a gross return of \$63.19 to the producer.

The lambs ranged in weight from 28 pounds to 71 pounds, and the price range was from \$1.00 to \$1.40 per pound depending on size and quality. The quality of the lambs offered was very good, with only two or three older woody looking lambs in the entire lot.

The bulk of the lambs - 171 head - were Suffolk and

Suffolk cross. These lambs averaged \$64.50 per head. The remaining 37 lambs were mainly Dorset or Dorset crosses, and brought \$57.15 per head on average.

The larger lambs brought a higher total return on average to the producer. 64 lambs weighing 60 lbs. and over averaged \$75.58 per head; 68 lambs weighing 50 to 59 lbs. brought \$64.31 per head; and the 76 lambs weighing under 50 lbs. averaged \$51.63 per head.

Rebate from manufacturer not taxable

Did you receive a rebate from the manufacturer on a piece of farm equipment which you purchased in 1983? If so, this rebate does not have to be included as income on your income tax report.

The policy of Revenue Canada permits a manufacturer's rebate to be treated as a nothing. A farmer purchasing a new item of machinery will negotiate the best deal possible with his local dealer. The purchase price paid to the dealer is the cost to be considered for investment tax credit, for future capital gains, and as the initial cost for capital cost allowance.

If the dealer provides a refund or discount then the purchase price must be reduced by that amount for these above calculations.

However, if the manufacturer, possibly as a marketing plan, sends a refund cheque to the farmer, that cheque does not reduce the purchase price and does not have to be counted as income.

4H program

A program that attracts over 22,000 young people must have some amazing benefits to it. What can the 4-H program offer you and why should you join?

The reason is obvious when you see a 4-H club in operation. The members are having a great deal of fun! They like meeting new friends, doing activities with "old friends" and working with a variety of age groups. 4-H members quickly learn the meaning of co-opera-

tion as they work with fellow members to complete exhibits, clip a calf, learn from a game or make a recipe.

4-H club work provides the opportunity to expand and develop skills under the capable and knowledgeable direction of a leader.

Less obvious benefits of being a 4-H member are the opportunities to develop personal skills. Learning to assist a less experienced member, or sharing a skill with your club requires the development of good communication skills and leadership abilities.

How many organizations can offer you the ease of learning to speak publicly in the comfort of 10 or 15 friends - and also challenge you with audiences of 100 or more when you are ready to handle them? The ability to communicate effectively with public groups is an important talent to acquire.

The thrill of having tried something new, of finishing a tough project or helping a friend is the best builder of self-confidence and self-worth available to anyone.

There are many benefits to being a 4-H member. Different challenges, situations and opportunities attract various members to the program. The overall personal benefits can best be summarized in the words of a present 4-H member: "4-H is building a better me".

Minden W.I. holds meeting

Mrs. Lyman Cox read a verse "Springtime" to open the April 18th meeting of Minden Women's Institute at the Cultural Centre.

Seventeen members and one guest were present and paid their dues and turned in plants.

The yearly reports were given by various officers and correspondence was read. Some ladies turned in their names for the Victoria East Bus to Erland Lee Home, June 4th. We are to take jams, jellies, pickles, etc. for sale there.

Delegates to District Annual at Cameron are Mrs. L. Cox, Mrs. C. Brown, Mrs. A. Kernohan, Mrs. C. Lacey with other members going as well. Our donation of \$17.20 to our District this year will go toward "clear water for all" fund.

There were several changes in the slate of officers, a new Vice

President Mrs. Ern Hewitt, a new District Director Mrs. M. Bunker, alternate Mrs. C. Lacey and the convenorship of Agriculture and Canadian Industries is still open.

Mrs. Moore reported sending 12 cards since the last meeting and also a variety of 184 cards during the past year at a cost of \$69. Collections for this fund and Pennies for Friendship were taken.

The meeting adjourned and auctioneer, Irene Moore, sold the plants turned in earlier.

A social half hour followed with a snack and a cup of tea. The next meeting will be May 16th at the same place with all ladies welcome.

Jeanne Sears, P.R.O.

senior league

by Bert Harrison

Dear readers, my life partner has left me and is no longer by my side. I will not be alone you know, for God will be my guide. Although she has left us, to heaven she has gone. If it be God's will, the world just can't stand still. We must carry on, although she has left us and I see her dear face no more. We hope to see again, upon that golden shore.

At this time, I would like to thank all for their cards, kind words and sympathy. Rev. Westhaver for his comforting words. Gordon Monk, Funeral Director, for his expert funeral service. The Carnarvon ladies for serving a lovely lunch. God bless you all.

Rev. Westhaver of Minden United Church conducted a service in the chapel this 17th April day. We thank you both for coming, Fred Ballard came with music to play.

We have our administrator back after two weeks of holiday. We really miss him when he is away, and our head cook Mark Schell too. If they ever left us I don't know what I'd do!

Thelma Watson and Ole Smith came back to us Tuesday. We were all so glad to see them come, fine music they do play. We always look forward when it is time to come back to us again.

Wednesday morning down at fitness and fun, the horseshoe Wilbert Sisson won!

We have a new resident here at Hyland Crest, to describe her to you I'll try to do my best. Now her name isn't Mabel, she was created on the craft room table. Now this may make you shiver she has a lovely head and body but has no heart or

liver. Abigail Jane Stewart is her name. Her joints are all working well and she has no aches and pains.

The Lochlin ladies served a lovely lunch this Thursday afternoon. Then Doris played and led us in a sing-song with some lovely tunes. Since this is Good Friday it is a Holiday we have, no fun and fitness when our girls are away. We miss them when they are gone. So we children will just play away and just carry on.

Mrs. Welch's son Ron from Frankford along with his wife Pat too, came and had dinner with his mother and Aunt Carrie. What a

nice thing to do.

Friday afternoon, sing-song time again. Jean Cox came with music to play, Grace sang several numbers from "Sound of Music", read several poems to cheer us up. Thank you ladies we would like to say.

It is nice to have Neil Walker back with us again, we haven't seen him since, I can't remember when. Rev. George Elliott of Minden Anglican Church conducted a very lovely communion service in the chapel, this Saturday. The choir members sang so beautifully while Melissa Stevens with music did play. We are sure you all will be blessed with this lovely service here at Hyland Crest.

Well readers, by the time this letter reaches you, the glad Easter will have passed.

We hope you had a lovely time and didn't run out of gas.

An Easter Prayer

Lord, now that spring is in the world, and every tulip is a cup

Filled with the wine of thy great love, lift thou me up.

Raise thou heart as flowers arise to greet the glory of thy day,

With soul as clean as lilies are, and white as they.

Let me not hear the darkness now, since life and light break through thy tomb; No more consume.

Show me that thou art April, Lord, and though the flowers and the grass;

Then, when awake the soft spring winds, I'll hear thee pass!

kid's korner

by Jean Lacey

Hi kids! Here's another puzzle for you. Have fun.

First vampire: I just met a fisherman who complained he hadn't had a bite all day.

Second vampire: So, what did you do?

First vampire: What could I do? I bit him.

Q: What goes thump, thump, thump, swish, thump, thump, thump, swish?

A: A monster with a wet sneaker.

Q: What can you expect from a monster with 4 lips?

A: Nothing but double talk.

Q: What is green and only comes out at night?

A: Vampickle.

Q: What is worse than a giraffe with a sore throat?

A: A vampire with a toothache.

Kinette Corner

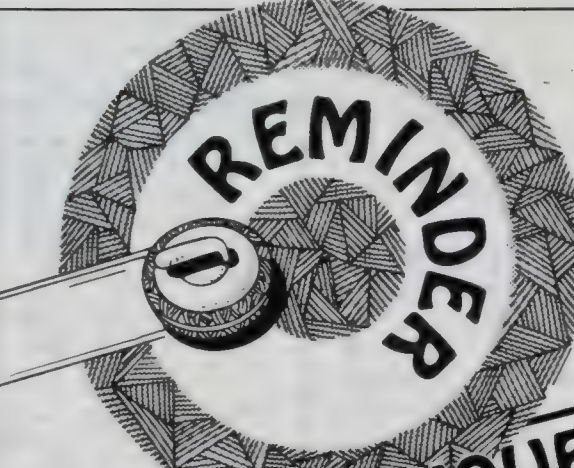

Well, it not only looks, but feels like spring is finally here.

It looked like spring at the Minden Kinettes April meeting, as each Knette modelled her homemade Easter bonnet. The catch was the hats were to represent a theme of a song. The girls showed much imagination and creative talent in designing their hats. Winners (because no one could guess their song) were Mabel Deacon, Jean Stevens and Cathy King.

Our April meeting was also "Nominations Night" as the club prepares for elections next month.

We welcome (President) Sue and Doug Ripley, who moved to Minden this month.

Did you know?

by Bambi Gilder

Did you know ... that if you own an off-road vehicle, you must have it registered with the Ministry of Transportation and Communications (MTC) by June 1st of this year.

An off-road vehicle is any two or three-wheeled vehicle, plus specific types with four or more wheels designed primarily for recreational use.

Those licenced for on-road use or exempt by regulation are not included. Exempted off-road vehicles include: golf carts; road building machines and motorized wheelchairs.

The one-time registration fee is \$25.00, and vehicles cannot be registered to

anyone under 16 years of age.

In addition, as of August 1, 1984, vehicle liability insurance will be required for all off-road vehicles driven anywhere other than on land owned or occupied by the vehicle owner.

For more information on this and many other subjects, why not drop in or give us a call at the County Information Centre (across from Emmerson Lumber) in Haliburton. We are open Monday through Friday, 10:00 a.m. to 4:00 p.m. and our telephone number is 457-2733.

And remember, you will never know the answer, until you ask the question.

KINDERGARTEN REGISTRATION

ARCHIE STOUFFER ELEMENTARY SCHOOL

Kindergarten Registration will be held on

FRIDAY, MAY 4

Children must be five by December 31, 1984.
9 a.m. - 12 noon, 1 p.m. - 3 p.m.

Please bring proof of birth and immunisation records.

Stuart Baker, Principal
286-1921

Remember July 15, 1983?

July 15, 1983: The temperature topped 35°C. The humidity wasn't helping matters. And you couldn't beg, borrow or buy an air conditioner anywhere. Remember how you promised yourself you wouldn't let it happen again this summer? Remember?

Well, now's the time to act, because you could

SAVE UP TO \$1100

From now to April 30, 1984 Carrier will add a rebate of up to \$300 to the Federal Government Off Oil grant of up to \$1100 on a Carrier Home Comfort Heat Pump System. Carrier's "Off Season Rebates" also apply to Central Air Conditioning. For more information, call today, it will be a move you won't regret this summer. Offer available in Ontario only through participating dealers from now until April 30, 1984.

around the county town

Call 286-1288 — 9 a.m. - 4 p.m.

We are pleased to hear of the safe arrival of Courtney Wells, newest addition to the family of Bob and Stephanie, and little sister for John. (Here's to sleepless nights, Bob!)

Club 35 at Halls Lake held their weekly card party and the results are as follows: for euchre: high lady - Eleanor Ferris; high man - Bill Cowen; most lone hands - George Alsop; door prize winners - Verna Sawyer, Len Trodd, and Alex Stevenson. Ice Derby Winners were Bruce Cummings and George Alsop.

We understand that there is a variety of new books available at the Public Library. Call 286-1675 for more information on these new books.

There was no Card Party last Thursday afternoon at the Parish Hall, but three more afternoons there will be - April 26, May 3 and May 10. Plans are in the making for the pot luck supper for May 15.

Spring must be here. A sign as sure as the robins are the numbers of yard sales and auctions being held. A good way to catch up on the news and have a little visit with those you haven't seen for a while, besides picking

up a "bargain".

Haliburton County Home Support Services is celebrating their 4th anniversary April 27th. For more information call the Home Support Centre at 457-2941.

We are sorry to report that Wendy Davis is at present a patient at Ross Memorial Hospital. We wish you a speedy recovery Wendy.

It is nice to see the hole filled in at the site of the former Welch building. Not only does it improve the appearance of our downtown area, but also eliminates a potential safety hazard, since the foundation was filling up with water.

Don't forget, if you have any news for this column, give us a call at 286-1288.

Congratulations to the Horticultural Society on once again introducing spring in a colourful way. The daffodils along the river look great.

Once again our readers have graciously submitted poems and prose for publication. We are pleased this week to publish them for your reading enjoyment.

Who Is To Blame?

We read in the papers and hear on the air
Of killing and stealing and crime everywhere.
We sigh and say, as we notice the trend,
"This young generation ... where will it all end?"
But can we be sure that it's their fault alone,
That maybe a part of it isn't our own?
Are we less guilty, who place in their way
Too many things that lead them astray?
Too much money, too much idle time;
Too many movies of passion and crime;
Too many books not fit to be read,
Too much evil in what they hear said;
Too many children encouraged to roam,
Too many parents who won't stay home.
Kids don't make the movies,
They don't write the books,
They don't paint gay pictures
Of gangsters and crooks;
They don't make the liquor, they don't run the bars;
They don't make the laws and they don't sell the cars;
They don't peddle the drugs that addle the brain —
That's all done by older folks, greedy for gain.
Delinquent teenagers! Oh, how we condemn
The sins of the nation and blame it on them:
By the laws of the blameless the Saviour made known
Who is there among us to cast the first stone?
For in many cases — it's sad — but it's true —
The title "DELINQUENT" fits older folks, too!

Father Max Moser, CSsP
(submitted by Cy Heal)

The Gold Of Fools

This is one tragic story of a man's incessant involvement with gold which finally killed him. It is not the emblazoned gold. It is the gold that blinds you if you gaze absentmindedly at the sky for too long a time. The gold burns at the mind, boggling it, making you look hastily away and yet back again. Perhaps this is what men strive for in their mad rush, something other than wealth,

the urge to feel, to possess.

Painter, Vincent Van Gogh went slowly and inexorably mad at this tantalizing orb. In its blaze, I think he thought he saw God. His last paintings all portray this strange, impelling Medusa, her beauty and her horror compelling all to look at her if they dared. Look, oh look, but never be the same again! Having seen his magnificent masterpieces and formerly never having been a lover of Van Gogh's work, but finally having seen his genius spread out before me, having read his sad, melancholy sometimes sordid (but never dirty life, upon the written page) oh how I changed.

He was starved for love, with all his tremendous love force to give, to be always laughed at. A man to be pitied. He only sold one painting in his entire life. He began life as a shy, not too handsome youth. He set his sights on being a minister, his calling, a mining town in Wales, one of the poorest.

He was not a good minister, he could not convey his feelings and could not reach the people, but he insisted in living on his parishioners' level, in a cold hovel with very little to eat. He finally had to leave in frustration but he painted some of his finest works there - The Potato Eaters, for one.

He fell in love but was laughed at when he expressed his deep feelings. He had only one true friend, his brother, who believed in him and owned an art gallery. It was in this gallery that Vincent was able to sell his solitary painting.

Vincent could not abide the cold and travelled to France and became associated with the impressionists. He became acquainted with Gauguin, a maverick, who had run away from his family and responsibilities in England and finally settled in the south of France where Vincent became caught up with the vividness of the colouring and finally with his beloved sun. The friendship was a disaster from the start. At one point, after an argument, Vincent, in his frustration, severed an ear. He felt his only companions were the ladies of the evening who he could talk to for hours and would not laugh at him.

Vincent was deteriorating fast. He had never been robust. No one could help him, and one looks at his work and the transition from sanity to madness is clearly discernible.

I often wonder why God gave us a mind. Unfortunately many of us become entangled with the web thought. The web we cannot extricate ourselves from. I once wrote an article on this very subject - that we are prisoners of our own minds.

Free Brochure - Appraisals - Land Severances

Vincent died in an asylum for the insane, penniless and alone. Today his paintings command millions of dollars. Oh Vincent, I often wonder if you know and smile in your slumbers. I gaze at our azure skies (not your gleaming panorama) watching the dying of Winter, Winter that reaches out its hand and says - I am dying (for now) but I will be here again next year to tantalize you! Dear Vincent with your black, black crows attacking a golden cornfield with an even golder sun above, you will tantalize us always.

Yvonne Guida
(written for the Haliburton Art Class)

A Herald To Spring

The black lifeless branches, that crackle underfoot,
And mounds of snow still reluctant to give way -
But triumphant, the new earth, like soft fresh soot
Pokes up from the ground, eager for its fresh new shoots
Of bright baby green, to greet the world, and a new day.
The warm glow of a tender Spring's haze,
The returning of roaming ducks at Winter's end
Always catches my gaze.
The red-breasted robin
With his strong, sturdy beak
Heralds the coming of Spring
His mien is not weak!
If we ponder the world
With its strengths, large and small
Its terrible truths surrounding us all
God has a massive task to perform
Which we have created
War and pestilence between man and his world
Still not abated.
Our battle with Lucifer
Goes incessantly on,
We fight with determination, we will not succumb!
But with the steadily rising of the morning sun
After the black night has passed,
The duck, robin and all of us know somehow
There will be peace at last.
As of old, Spring with its new life will always return
Hopefully with the strength and tranquility for which we
yearn.

Yvonne Guida

ANNOUNCEMENTS

Depression Glass Show, May 6, 1984 10 a.m. - 4 p.m. A Rainbow of Coloured Glass from the Thirties. York Farmers' Market, Thornhill (Toronto) Details (416) 344-7840 evenings.

Agnes Jamieson Gallery
The Three Island Art Association exhibition will continue through Saturday, April 28th.

The contribution of the United Empire Loyalists to Canada is one of national significance, and as part of the federal governments participation in Ontario's Bicentennial Celebrations, Parks Canada has funded a travelling exhibition commemorating the Loyalists. A trip through this exhibit will introduce you to part of Canada's heritage.

The exhibit will be at the gallery for only five days, May 1st to May 5th.

The gallery hours are Monday through Saturday 10 a.m. to 5 p.m. Closed on Sunday.

N. Bobcaygeon Road
Telephone 286-3763

CARD OF THANKS

The women of St. Paul's Anglican Church would like to thank all those who supported us by purchasing our Easter Eggs. Thanks also to Al and Chris Coneybeare, Wayne Henderson at The Storeroom, Pat Campbell at Campbell's Flower Shop and Jim and Ellen Mifflin at Foster's Store for selling the eggs for us.

CARD OF THANKS

Many thanks to Paula, Joan, Maxine, Karen, Denise, Mabel and Kathy Short, also to Brian Sisson, Susan Beers and Sandy Lane Resort, the A.C.W., Bruce, Jimmy and Johnny and The Times. Kathy Jarvis, you contributed so much, how does one thank you. Gary Kenney, your enthusiasm keep me going. For all who came and supported the Heritage Ball you made it all worthwhile. Brian, thanks for putting up with me and coming through in the end!

Wendy

NOTICE TO CREDITORS AND OTHERS

IN THE MATTER of the Estate of MINNIE Sisson late of the Township of Stanhope, in the County of Haliburton, Deceased. All persons having claims against the above named deceased who died on or about the 27th day of November, 1983 are hereby required to send full particulars of such claims to the undersigned on or before the 11th day of May, 1984 after which date the assets of the Estate will be distributed having regard only to the claims that have been received and take notice that the undersigned will not be liable to any person of whose claim they shall not then have notice.

DATED at MINDEN, Ontario this 12th day of April, 1984.

THOMAS WILFRED MASON,
Executor,
by his Solicitor,
BRIAN F. ADAMSON,
